WORKSHOP

Northbound Shorebirds *with Jean Iron*

Thursday, May 9 at 11:30 a.m. and Sunday May 12 at 11:30 a.m.
Point Pelee National Park Visitor Centre Theatre

This workshop details 28 regularly occurring spring migrant and breeding shorebirds, **plus** 8 rarer species that migrate through southern Ontario to their Arctic breeding grounds. It is loaded with tips to sharpen identification skills.

The focus will be on Point Pelee area shorebirds, and later we will visit Hillman Marsh Shorebird Cell where Ontario Field Ornithologists (OFO) experts will help with shorebird identification from 3:00 - 5:00 p.m.

OFO Shorebird Viewing Celebration at Hillman Marsh:
May 1, 2, 3, 4, 5, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19.
Daily except Mondays. Time: 3:00 - 5:00 p.m.
Note: Daily parking fee to enter Hillman Marsh -
open dawn to dusk
